

5 STEPS TO MAKE SCHOOLS SAFE FROM SEXUAL HARASSMENT

1 Policies and Procedures

Safeguard students from peer to peer sexual harassment as well as sexual harassment by school officials or representatives.

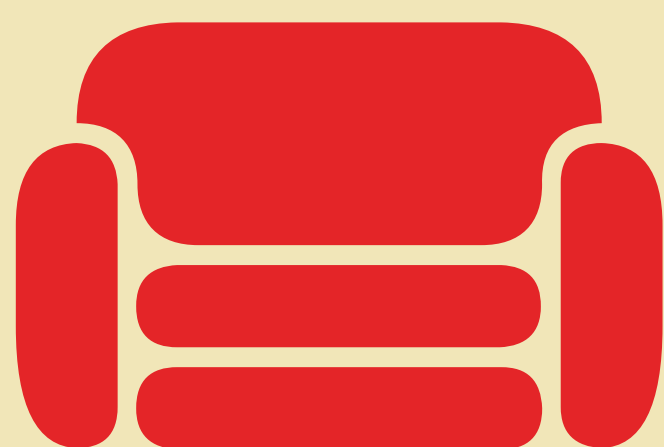

2 Awareness Sessions for Students

Give students an overview of sexual harassment and how to recognise all forms of sexual harassment.

3 School Curriculum

Reduce sexual harassment, encourage victims to get help, promote respectful behaviours, and help those who experience sexual harassment.

4 Appointment of Designated Counsellors

Provide support and guidance to victims of sexual harassment.

5 Training Meetings for School Representatives

Raise awareness about sexual harassment among students and the legal issues and implications.
